TERMS AND CONDITIONS

Bookings will only be confirmed on payment of a non refundable £200 deposit. The Operator will provide a receipt. The balance to be paid no later than 4 weeks before the wedding date. No refunds are payable. This is to protect us as well as you the customer.

The welfare of the horses is essential. As horses can suffer injury or sickness, the Operator reserves the right to cancel a booking at any time, in which case, a full refund will be given, if a date cannot be rearranged. If a situation arises that, in the sole opinion of the Operator, it could affect the legality or compromise the safety of the passengers, or horses (such as: the weather is too severe for the horses or the road conditions or other reasons), the Operator reserves the right to cancel the carriage drive and give a full refund.

Although the horses are generally well behaved, horses can be unpredictable if they feel threatened or frightened so it is the Clients responsibility to be aware of this fact and to inform anyone who comes into contact the horses of this fact. Clients and passengers that ride on the carriage and are around the horses are at their own risk. The Operator cannot be held liable for the bodily injury or property damage except where required to do so under the law. The Operator is fully insured.

There is a strict No Smoking Policy whilst on the vehicle, near our staff or the horses.

There is a time limit of three hours, starting from the agreed time between the operator and the client when the carriage leaves the departure address.

All booking fees are non-refundable, but are transferable to a revised date, if available, provided the contract is unchanged.

Although we understand that there may be high noise levels, we do ask that all guests be respectful to the horses and try not to alarm them in any way.
